

Unlocking Revelation - Study #12

Revelation - The Bittersweet Book (Revelation 10)

1. How could Jesus be called an "angel" and still not an angel (created being)?
How do we know He is the One in Revelation 10:1?

2. Comparing Daniel 10-12 with Revelation 10 we find the same Character and a book that was "sealed up" then it is open? What is this "little book"?

3. What is the message of the 7 thunders and what can we conclude might be the undocumented message?

4. Revelation 10:6 says that "there will be no more delay". What is that referring to? How does the 70 weeks relate to the 2300 days?

5. What is the culmination of the 70 weeks time prophecy (explain the last week and how Jesus' ministry was done "on the clock")?

6. What does the "cleaning of the sanctuary" (end of the 2300 days) and how was 1844 a sweet/bitter experience for those who waited for the 2nd coming?
